WHAT ARE THE ARCH KLUMPH SOCIETY AND THE LEGACY SOCIETY?

Donors whose cumulative gifts total US$250,000 or more are recognized as members of the ***Arch Klumph Society***. As a member, you're honored at an induction ceremony and have your picture and biography in the Leaders in Philanthropy interactive display at Rotary International World Headquarters. You'll receive invitations to special events, along with membership pins and crystals that commemorate your giving level. Since 2004, more than 2,400 people have joined the Arch Klumph Society.

Donors who promise a gift of US$1 million or more to the Endowment are invited to join the ***Legacy Society***. As a member, you'll receive special tokens of appreciation and all the benefits provided to Bequest Society members. Legacy Society members are listed in Rotary's annual report and are also invited to special events.
