Did you know?

Chesterfield County has three water sources that treated and delivered an average of 36.2 million gallons of water per day in 2018.

The Central Virginia YP Committee Presents: **Magnolia Green EWST Site Visit**

Come join your fellow Young Professionals for an exclusive tour of Chesterfield County's newest 2 million gallon elevated water storage tank! This educational event will be followed by food and networking at **Steam Bell Beer Works**. First time attending a Central YP event? Don't worry - we would love to meet you!

Members of the Chesterfield County Department of Public Utilities will be in attendance to give an overview. Appetizers will be provided at the Afterhours location.

Please RSVP at the following web address by Tuesday, June 25th: <https://www.vwea.org/event/magnoliagreen>

Directions and parking information will be provided to those that RSVP.

Contact Bruce Strickland at bruce.strickland@timmons.com or (804)200-6389 with any questions about the event.

A big thank you to Chesterfield DPU for their hospitality!
