

2021 VWEA/VA AWWA Utility Management Committee Webinar Series

Keys to a Successful Asset Management Program

Prabhu Chandrasekeran, Stantec; Alton Echols, Loudoun Water; Nina Andgren, Upper Occoquan Service Authority; Anas Malkawi, HRSD

April 28, 2021

11am – 1pm

Please join us for this two-part session where we will first close the gap between Asset Management and Operations & Maintenance through the application of data analytics. A panel discussion, hosted by Ryan Nagel with Hazen & Sawyer, will follow with utility leaders providing an overview of the success factors for implementing an Asset Management Program at three Virginia utilities (HRSD, UOSA, and Loudoun Water). Each panelist will provide an overview of their utility's Asset Management Program implementation lessons learned and then we will open the floor for questions and open discussion.

Controversial Statements: How Will Our Utility Managers Respond?

Ted Henifin, HRSD; Jackie Jarrell, Charlotte Water; Roddy Mowe, Loudoun Water; Karen Pallansch, AlexRenew

May 12, 2021

11am – 1pm

You are going to want to be present as our water industry leaders take on some of the biggest and most controversial statements facing the industry today. Shawn Heselton with HRSD hosts this panel discussion, guaranteed to be interesting and entertaining.

What Will Your Future Look Like? How to Ensure a Successful Workforce for Tomorrow

Western Virginia Water Authority; Margie Hamner, Starfish Consulting; Mindy Gulati, Fundamental Advisory

May 26, 2021

11am – 1pm

Please join session host, Christene Mitchell with HRSD, for a discussion on the challenges we face in today's workforce with training, succession planning, and diversity, equity and inclusion. We will examine how we can overcome these challenges to create a knowledgeable workforce empowered to realize success in tomorrow's utility.
