Written and coding tests

equipment provided

Pizza at the end of the coding. Teams registering after Monday, Jan 23 may not have a pizza ordered for them. I'll try, but no promises.

Note: contest is limited to first 60 teams to register.

Only bottled water/soda at the computers please. NO other food should be at the computers.

These are not my computer labs and I want to leave them in the same condition they were in at the start of the day.

Masks are beneficial, but I won't be monitoring/requiring them. Computers(keyboard/mouse) will be cleaned prior to the start of the contest.	Note: cost is $45/team. Due to notable raised prices for pizza, I'll probably increase price for next year to 50, but this year is still 45 as advertised.
