Beth Chana Academy (BCA) is a small, private girls' high school in Orange, CT. We are seeking a part-time coding teacher for a beginner class in computer science. Looking for an enthusiastic, inspiring individual who is comfortable in a traditional, academic environment. Please forward resume and references to bluma.hecht@schacademy.org

About BCA:
Beth Chana Academy High School for Girls is committed to excellence in education and the development of self-assured young women who exemplify strength of character and good citizenship. Through a rigorous, value-based academic program, of both Judaic and secular studies, as well as goal-oriented extra-curricular programs, BCA instills within its students the confidence to discover and cultivate their own unique talents and to not their accomplishments with pride. The school's focus is to foster dignified young women who will be able to assess their actions, and who will develop the sensitivity to make decisions which positively impact their growth and development in school and beyond.
