UNITE FOR GOOD

HOW DO DISTRICT GRANTS HELP AT HOME?

A Rotary club in the United States used a US$3,000 district grant to purchase food and personal care items for a local food bank that saw a 50% increase in need. A Rotary club in India is using a district grant to provide hygiene kits and training to girls who might otherwise miss school when they are menstruating. The project aims to help 40,000 girls.

Clubs worldwide use district grants to support similar short-term projects in their communities.

Every club has the opportunity to create positive change their community with grants from The Rotary Foundation - *one project at a time*.
